Licensee: I learned a lot at the meeting. The Board was fair and did a great job on a large majority of the cases that I sat in on. Tell them thanks for serving the doctors and patients of Arizona.

Licensee: In past experiences I felt it was difficult to deal with certain situations on the phone, (particularly in regards to getting licensed). Since then, I have had many good experiences with the Board, especially with Patrice and Pamela. They were very timely in returning phone calls and were always courteous and helpful.

Applicant: Jennifer Mitchell has been thoroughly helpful throughout!

Licensee: What a pleasure to have a Board like this one. I felt the Board was trying to help the doctors rather than trying to crucify them.

Licensee: The members of the Board of Chiropractic Examiners were thorough, courteous, professional and decisive in their mannerism. I thank them for hearing my case.

Licensee: I thought the Board was courteous in allowing each doctor I saw explain themselves and to see it was a fair Board despite what I had heard in the past.

Licensee's Attorney: The Board, Pam Paschal I particular, is very accommodating, fair and reasonable.

Licensee: It is my opinion that every complaint does not need to be heard by the Board. Especially when the complaint does not break any statute.
