If the course does not meet the requirements under A.R.S. § 32-931 and R4-7-801, but has been approved by the Board, the applicant shall provide the continuing education course approval number issued by the Board instead of the name of the affiliated college or university.

L. If the provisions of subsection (K) are satisfied, the Board shall issue a license renewal certificate on or before February 1, of each year. The license renewal certificate shall serve as notice that the renewal application is complete and approved.

M. If there is reason to believe that the provisions of subsection (K) have not been satisfied or that possible grounds for denying the renewal or reinstatement application exist, the Board shall notify the applicant of this possibility within 25 business days of the date that the application is received at the Board office.

N. An applicant who is so notified that renewal or reinstatement may be denied may provide a written response and shall submit any documentation as required through written notice by the Board within 60 calendar days from the date of the Board's notice. An applicant who is unable to supply the required documentation within 60 calendar days may submit a written request to the Board for an extension of time in which to provide the required documentation.
