Fingerprint Card & Background Check General Information

Applicants are required to complete and submit a fingerprint card for a background check. A clearance card issued by DPS or any recent fingerprinting done with another agency will not be accepted. If the Fingerprint Card and Fingerprint Verification Form are not submitted correctly they will not be accepted. Electronic fingerprints will not be accepted, fingerprints must be submitted on a standard Fingerprint Card. **There are no exceptions to any of the requirements for fingerprinting or the background check.**

Where can I obtain fingerprint services?

Local police departments, sheriff's office and some private agencies offer this service. The agency you use will need to supply you with a fingerprint card. It is the responsibility of the applicant to make sure the fingerprint technician follows all the instructions on the Fingerprint Verification Form. **Fingerprint Cards and Fingerprint Verification forms must be submitted correctly or they will not be accepted.**

How is the Background check processed?

Once the application, appropriate fees and fingerprint card is received and processed, the fingerprint card is forwarded to the Department of Public Safety and the FBI for completion of the background check. The report is processed and returned to the Board for review.

How long will it take to process my background check?

The fingerprint card may take 3-6 weeks on average; however, the FBI has 120 days to complete their portion of the background check. This process cannot be expedited for any reason. The Board will not consider your application for licensure until your application is complete including your background report being received.

What happens if my background check is not received within my 60 days?

Background checks and applications are processed separately. For this reason, the background check may not be received within the 60 day timeframe of your application. If your application is complete pending the receipt of your background check, your application will not be closed.

Why were my fingerprints rejected?

If the fingerprint patterns captured on the fingerprint card were not discernible for accurate identification, they will be rejected and you will be required to submit a new set of fingerprints. This may cause a delay in the processing of your application. To get good, readable prints, you may wish to consider the following:

- Do not use hand lotion before being fingerprinted.
- Wash your hands with hot water and an abrasive soap, like "Lava", just before being printed.

CRIMINAL HISTORY RECORD INFORMATION DISCLOSURE NOTICE

Arizona Revised Statutes (A.R.S.) §32-921(E) authorizes the Arizona Board of Chiropractic Examiners (Board) to require all applicants to submit a full set of fingerprints for the purpose of obtaining a state and federal criminal records check pursuant to A.R.S. §41-1750 and Public Law 92-544. The fingerprints you submit to this Board will be used to check the criminal history records of the Department of Public Safety and the Federal Bureau of Investigation. The criminal justice information received by this agency will be used solely for the purpose of determining your eligibility for licensure and may not be disseminated outside of this agency. The Board may not provide you with a copy of your criminal history record.

Your fingerprints will be used to check the criminal history records of the FBI.

If you have a criminal history record, the officials making a determination of your suitability for licensure must provide you the opportunity to complete or challenge the accuracy of the information in the record. You are afforded **60 days** to correct or complete the record (or decline to do so) before officials deny licensure based on information in the criminal history record.

The procedures for obtaining a change, correction, or updating of your FBI criminal history record are set forth in Title 28, Code of Federal Regulations, Section 16.30 through 16.34. Information on how to review and challenge your FBI criminal history record can be found at www.fbi.gov under "Services" and then "Identity History Summary Checks" or by calling (304) 625-5590.

To obtain a copy of your Arizona criminal history in order to review, update, or correct the record, you can contact the Arizona Department of Public Safety Criminal History Records Unit at (602) 223-2222 to obtain a fingerprint card and a Review and Challenge packet. Information on the review and challenge process can be found on the DPS website (www.azdps.gov).

If you intend to correct or complete your criminal history record, please notify the Board in writing.

NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.¹ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.²
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.³

DERECHOS DE PRIVACIDAD DE SOLICITANTES - JUSTICIA, NO CRIMINAL

Como solicitante sujeto a una indagación nacional de antecedentes criminales basado en huellas dactilares, para un propósito no criminal (tal como una solicitud para empleo o una licencia, un propósito de inmigración o naturalización, autorización de seguridad, o adopción), usted tiene ciertos derechos que se entablan a continuación. Toda notificación se le debe proveer por escrito.¹ Estas obligaciones son de acuerdo al Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, y Title 28 Code of Federal Regulations (CFR), 50.12, entre otras autorizaciones.

- Se le debe proveer una Declaración de la Ley de Privacidad del FBI (con fecha de 2013 o más reciente) por escrito cuando presente sus huellas digitales e información personal relacionada. La Declaración de la Ley de Privacidad debe explicar la autorización para tomar sus huellas digitales e información relacionada y si se investigarán, compartirán, o retendrán sus huellas digitales e información relacionada.²
- Se le debe notificar por escrito el proceso para obtener un cambio, corrección, o actualización de su historial criminal del FBI según delineado en el 28 CFR 16.34.
- Se le tiene que proveer una oportunidad de completar o disputar la exactitud de la información contenida en su historial criminal del FBI (si tiene dicho historial).
- Si tiene un historial criminal, se le debe dar un tiempo razonable para corregir o completar el historial (o para rechazar hacerlo) antes de que los funcionarios le nieguen el empleo, licencia, u otro beneficio basado en la información contenida en su historial criminal del FBI.
- Si lo permite la política de la agencia, el funcionario le podría otorgar una copia de su historial criminal del FBI para repasarlo y posiblemente cuestionarlo. Si la política de la agencia no permite que se le provea una copia del historial, usted puede obtener una copia del historial presentando sus huellas digitales y una tarifa al FBI. Puede obtener información referente a este proceso en <https://www.fbi.gov/services/cjis/identity-history-summary-checks> y <https://www.edo.cjis.gov>.
- Si decide cuestionar la veracidad o totalidad de su historial criminal del FBI, deberá presentar sus preguntas a la agencia que contribuyó la información cuestionada al FBI. Alternativamente, puede enviar sus preguntas directamente al FBI presentando un petición por medio de <https://www.edo.cjis.gov>. El FBI luego enviará su petición a la agencia que contribuyó la información cuestionada, y solicitará que la agencia verifique o corrija la información cuestionada. Al recibir un comunicado oficial de esa agencia, el FBI hará cualquier cambio/corrección necesaria a su historial de acuerdo con la información proveída por la agencia. (Vea 28 CFR 16.30 al 16.34.)
- Usted tiene el derecho de esperar que los funcionarios que reciban los resultados de la investigación de su historial criminal lo usarán para los propósitos autorizados y que no los retendrán o diseminarán en violación a los estatutos, normas u órdenes ejecutivos federales, o reglas, procedimientos o normas establecidas por el National Crime Prevention and Privacy Compact Council.³

¹ La notificación por escrito incluye la notificación electrónica, pero excluye la notificación verbal.
