§32-3211. A health professional must prepare a written protocol for the secure storage, transfer and access of the medical records of the health professional's patients. At a minimum the protocol must specify: 1. If the health professional terminates or sells the health professional's practice and the patient's medical records will not remain in the same physical location, the procedure by which the health professional shall notify each patient in a timely manner before the health professional terminates or sells the health professional's practice in order to inform the patient regarding the future location of the patient's medical records and how the patient can access those records. 2. The procedure by which the health professional may dispose of unclaimed medical records after a specified period of time and after the health professional has made good faith efforts to contact the patient. 3. How the health professional shall timely respond to requests from patients for copies of their medical records or to access their medical records
