License Reinstatement Rules

§32-923. Change of address; annual renewal fee; failure to renew; waivers

A. Every person licensed pursuant to this chapter shall notify the board in writing of any change in residence or office address and telephone number within thirty days after that change. The board shall impose a penalty of fifty dollars on a licensee who does not notify the board as required by this subsection.

B. Every person licensed to practice chiropractic in this state shall annually make a renewal application to the board before January 1 after original issuance of a license and shall pay a renewal license fee prescribed by the board of not more than one hundred seventy dollars. The renewal application shall be made on a form and in a manner prescribed by the board. At least thirty days before the renewal application and renewal fee are due, the board shall send by first class mail a renewal application and notice requiring license renewal and payment of the renewal fee.

C. The board shall automatically suspend a license if the licensee does not submit a complete application for renewal and pay the renewal license fee as required by this section.

D. The board may reinstate a license if the person completes an application for reinstatement as prescribed by the board, complies with the continuing education requirements for each year that the license was suspended, pays the annual renewal license fee for each year that the license was suspended and pays an additional fee of one hundred dollars. An applicant who does not request reinstatement within two years of the date of suspension shall apply for a license as a new candidate pursuant to section 32-921 or 32-922.01.

E. The board may waive the annual renewal license fee if a licensee presents evidence satisfactory to the board that the licensee has permanently retired from the practice of chiropractic and has paid all fees required by this chapter before the waiver.

F. During the period of waiver the retired licensee shall not engage in the practice of chiropractic. A violation of this subsection subjects the retired licensee to the same penalties as are imposed in this chapter on a person who practices chiropractic without a license.

G. The board may reinstate a retired licensee to active practice on payment of the annual renewal license fee and presentation of evidence satisfactory to the board that the retired licensee is professionally able to engage in the practice of chiropractic and still possesses the professional knowledge required. After a hearing, the board may refuse to reinstate a retired licensee to active practice under this subsection on any of the grounds prescribed in section 32-924.

R4-7-503. Renewal License: Issuance, Reinstatement

- A. At least 30 days before a renewal application and renewal fee are due, the Executive Director of the Board shall send by first class mail to a licensee at the licensee's address of record, a renewal application and notice.

If the course does not meet the requirements under A.R.S. § 32-931 and R4-7-801, but has been approved by the Board, the applicant shall provide the continuing education course approval number issued by the Board instead of the name of the affiliated college or university.

9. The licensee's signature attesting to the truthfulness of the information provided by the licensee.

D. In accordance with A.R.S. § 32-923(C), the Board shall automatically suspend a license if the licensee does not submit a completed application for renewal before January 1 of each calendar year. The Board shall send written notice of the license suspension to the licensee on or before January 20.

E. The Board shall reinstate a suspended license if the licensee pays the annual license renewal fee, pays an additional fee of \$100 as required by A.R.S. § 32-923(D), and submits a completed license renewal application between January 1, and March 31 of the calendar year for which the license renewal is made.

F. On or after April 1 of the calendar year for which a license renewal application was to be made, an individual who wishes to have a suspended license reinstated shall apply for reinstatement in accordance with A.R.S. § 32-923(D).

G. An application for reinstatement of license may be obtained at the Board office on business days or by requesting that the Board mail one to an address specified by the applicant.

H. A completed application for reinstatement of a license shall be submitted to the Board office on a business day. The Board shall deem an application for reinstatement of a license received on the date that the Board stamps on the application as the date it is delivered to the Board office.

9. The applicant's notarized signature attesting to the truthfulness of the information provided by the applicant.

J. The Board shall process a license reinstatement application in accordance with R4-7-502 (D) through (J). The Board shall deem the application received on the date that the Board stamps on the application as the date the application is delivered to the Board Office.

K. The Board shall reinstate or renew a license if:

1. The applicant or licensee has complied with the requirements of this Chapter and A.R.S. § 32-900 et seq.
2. The applicant or licensee has not had any professional disciplinary sanction taken against the applicant's or licensee's license by a licensing board since the last application for licensure;
3. The applicant or licensee has not been convicted of, pled guilty to, or pled nolo contendere to a misdemeanor or a felony since the last application for licensure.

L. If the provisions of subsection (K) are satisfied, the Board shall issue a license renewal certificate on or before February 1, of each year. The license renewal certificate shall serve as notice that the renewal application is complete and approved.

M. If there is reason to believe that the provisions of subsection (K) have not been satisfied or that possible grounds for denying the renewal or reinstatement application exist, the Board shall notify the applicant of this possibility within 25 business days of the date that the application is received at the Board office.

N. An applicant who is so notified that renewal or reinstatement may be denied may provide a written response and shall submit any documentation as required through written notice by the Board within 60 calendar days from the date of the Board's notice. An applicant who is unable to supply the required documentation within 60 calendar days may submit a written request to the Board for an extension of time in which to provide the required documentation. The request for an extension of time shall be submitted to the Board office before the 60-day deadline for submission of the required documentation, and shall state the reason that the applicant is unable to comply with the 60-day requirement and the amount of additional time requested. The Board shall grant a request for an extension of time if the Board finds that the reason the applicant was unable to comply with the 60-day requirement was due to circumstances beyond the applicant's control and that compliance can reasonably be expected to be remedied during the extension of time.

O. If an applicant fails to submit required documentation within the time permitted, the Board shall issue a notice of intent to deny the renewal application or reinstatement application.

P. The Board shall make a licensing decision no later than 70 business days after receiving all required documentation as specified in subsection (N). The Board shall deem required documentation received on the date that the Board stamps on the documentation as the date the documentation is delivered to the Board's office.
